Healthy Habits Digital LLC

AI AUTOMATION & DIGITAL SOLUTIONS

AI Business Starter Package

$750 one-time setup | Optional management: $199/month

Practical AI tools to help small businesses respond faster, follow up consistently, and simplify everyday work.

Customer responses: AI response assistant and FAQ response system tailored to the business.

Lead follow-up: one automated workflow and professional email templates.

Marketing content: 30 social media posts and 10 promotional captions customized to the brand.

Customized workflow: one repetitive business task, with setup and testing.

Launch support: 30 days of basic support after setup.

Optional monthly management: updates, new content, and workflow maintenance; monthly deliverables and support limits agreed in writing before enrollment.

Scope, compatible tools, delivery date, and software costs are confirmed before payment. Third-party software and usage fees are separate. Results depend on the business and implementation.
